ABOUT US

C.S.A corporation consisting of four principal officers with a combined industry experience of 10 years. The company was formed to take advantage of the significant weaknesses and inadequacies in local, regional, and national security and protection companies in terms of professionalism, quality, and customer satisfaction. C.S.A is focused on providing security protection to high-profile individuals, including executives, dignitaries, and celebrities, protection of residential and commercial properties, and security consulting and training.

ONSITE SECURITY GUARD

Our uniformed security guards monitor your property for a set period of time. Their presence communicates protection, safety and deterrence. They are trained and equipped to deal with a variety of situations and work supportively with law enforcement officials. Our 24 hours dispatch centre aids our guards on each shift.

Customer Service Comes First

Customers are considered our Valued Partners. From our 24-Hour help line to our verbal de-escalation techniques, our guards will always strive to place your project, property, and assets first and foremost.

Partner in Safety

Our guards are trained in personal security and crowd control tactics that will ensure that the protection of our client and the safety of their guest will never be compromised

Technology and Reporting
